- All competitors must create a one-page resume. Resumes will be critiqued, and be judged as part of the total score for the competition.

The dismantling of the project will be considered the final sequence or task of this competition.

Competitors will be able to take any portion of their project with them after the competition. Contest chair will have a forklift and operator there to quickly remove the projects if desired.

Cordless tools may be used in lieu of corded tools.

Competitors must create a one-page resume. Please bring a printed copy of your resume to turn in Thursday morning when the contest begins.

No cell phones will be allowed in the competition area. Competitors are not allowed to communicate with their instructors during the competition.
